

# The Power of Endowment

## Bunny & Perry Morgan's Field-of-Interest Fund

*Virginian-Pilot* publisher Perry Morgan and his wife Bunny died in the 1990s. But today they continue to do good works because of their bequest to the Hampton Roads Community Foundation.

This is just one example out of hundreds we have of how we put donors' gifts to work in our region while the power of endowment makes their funds multiply in value to do good works *forever*.
